

HOW TO DOWNLOAD RM RESIDENT

rmResident

**1) Head to your app store
or play store and search for
“rm resident”**

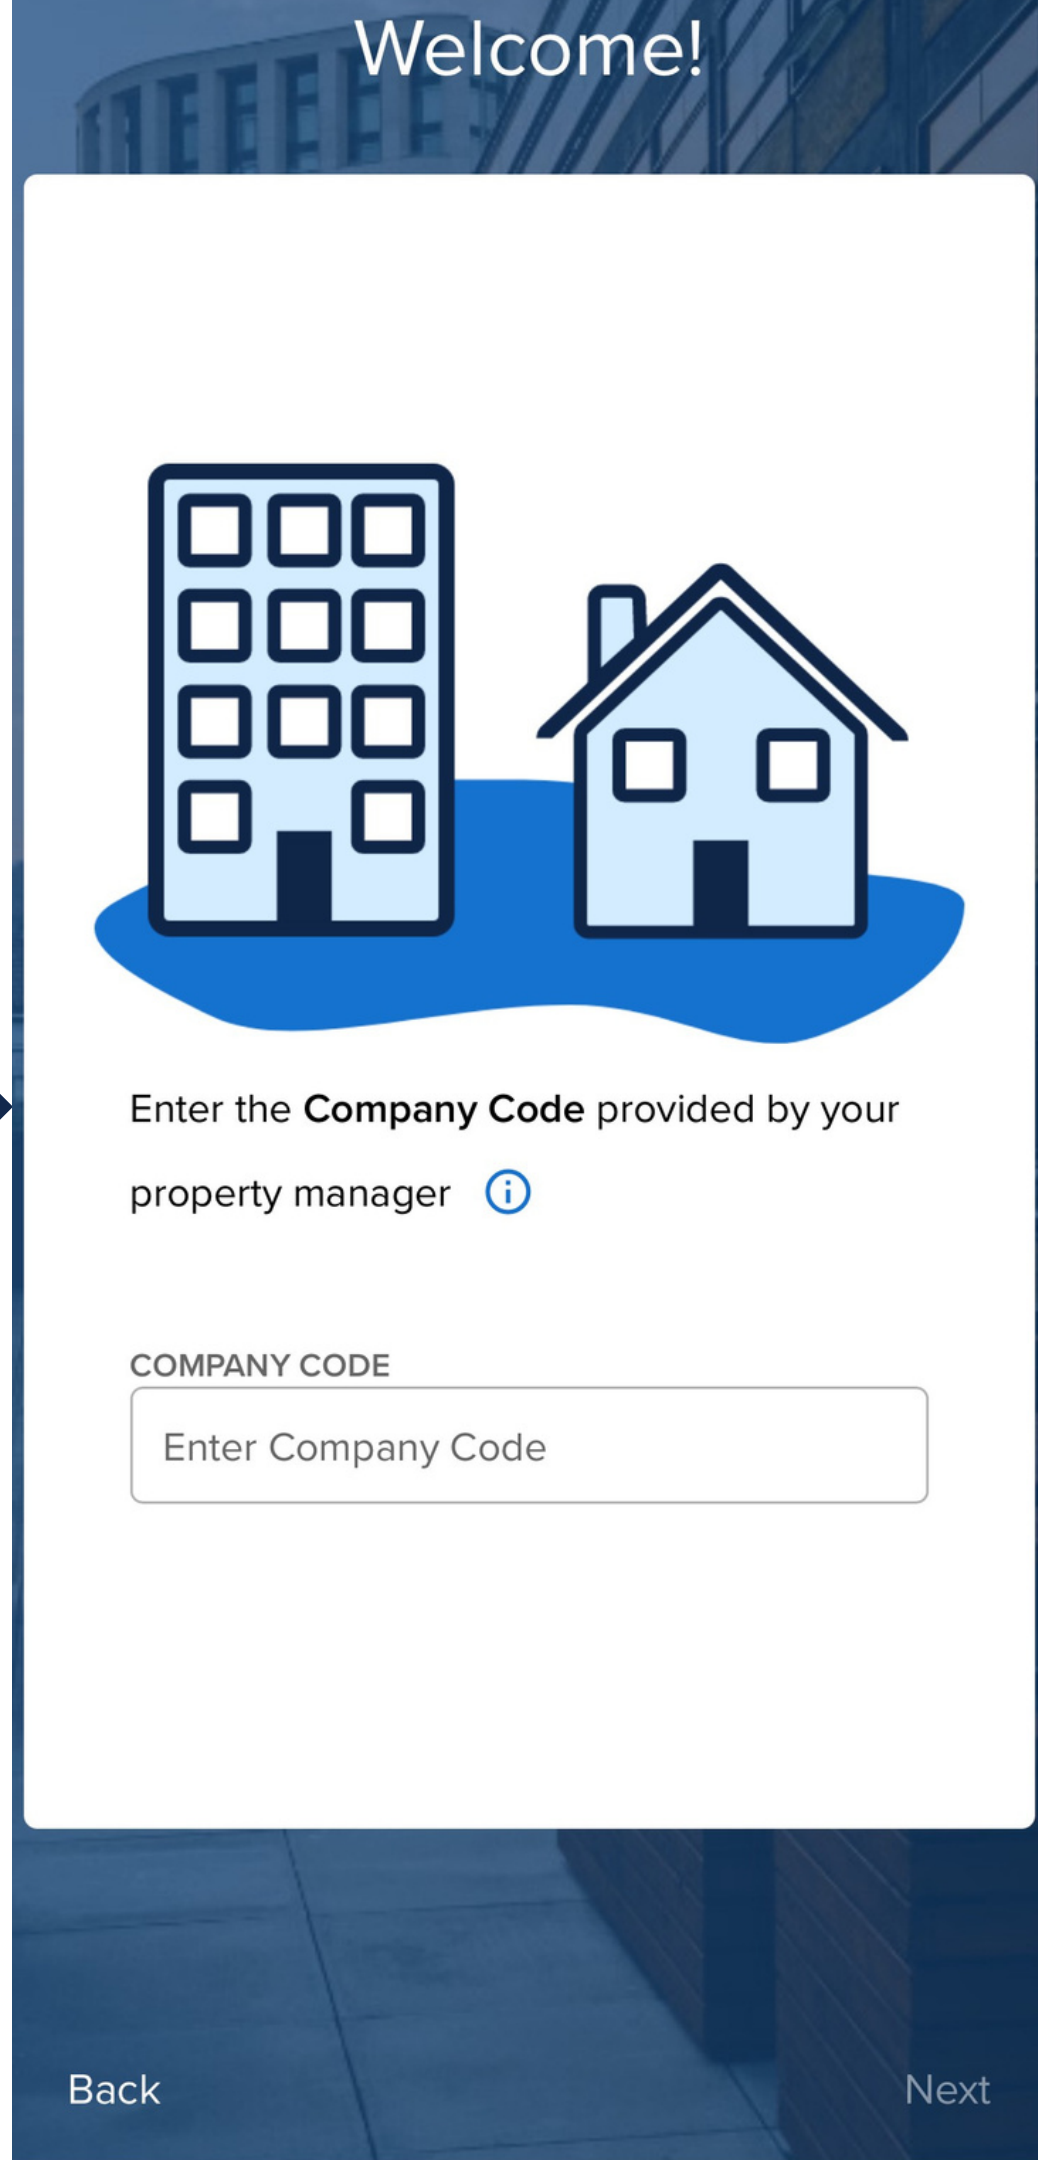

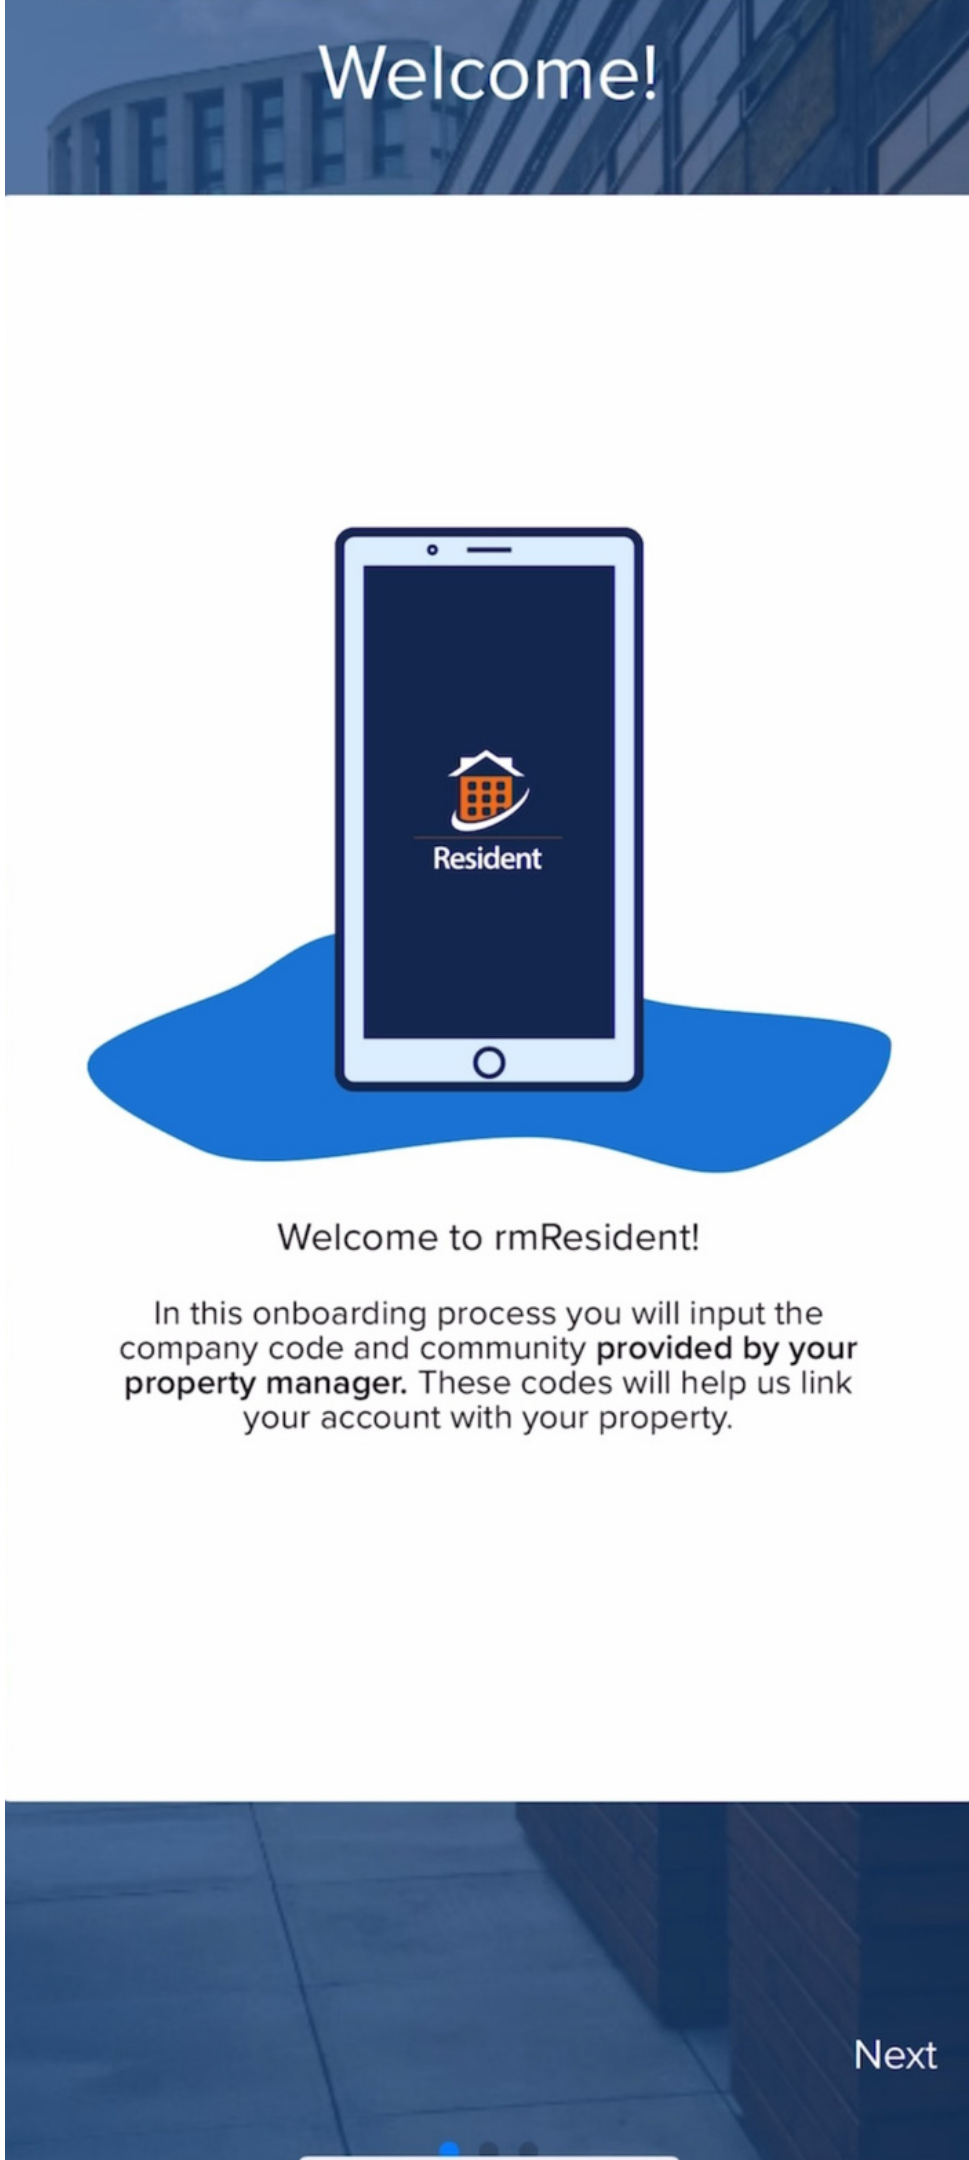

**2) The app to download will
match the logo of this page**

1) Once downloaded, you'll be taken to a welcome page.

2) Continue to swipe right until you see the page to enter a company code

3) Your company code will be provided by your property manager

1) Once you have input your company code, you'll be taken to the login page

2) As a new user you will need to click “sign up” and enter your email and a password.
